

**LIONS DISTRICT V6  
DISASTER & RECOVERY PROJECT**

***WE NEED YOUR HELP!!***

Lions across the District have been growing an assortment of trees to revegetate the devastated Bush Fire Area around Corryong. COVID restrictions have caused delays in getting the trees to Corryong, they have arrived now but need to be planted as soon as possible.

**VOLUNTEERS NEEDED?**

From 21<sup>st</sup> August 2021 volunteers are needed in the Corryong area. You will need to be self-sufficient. There are several Caravan Parks and Camping Grounds in the area, some have limited cabins. Teams of 3 at least are recommended.

Notify Paul Shortis if you can assist.  
M: 0407 854 829

To ensure we have enough work for those who can attend.
